JANUARY

The word 'JANUARY' is written in a bold, dark blue, blocky font. Each letter is filled with a white geometric pattern of lines and squares. The letters are set against a background of two large, light blue, stylized snowflakes. One snowflake is positioned behind the 'A' and 'N', and the other is behind the 'U' and 'A'. The entire graphic is surrounded by several smaller, light blue snowflakes scattered across the page.

Gardener's Poem:

The way a crow
shook down on me
The dust of snow
from a hemlock tree

Has given my heart
a change of mood
And saved some part
of a day I had rued.

~ Robert Frost
